

Fundamental Guideline for Anti-Social Forces

July 16, 2010
Chi-X Japan Limited

Chi-X Japan Limited has set the “Fundamental Guideline for Anti-Social Forces” in order to prevent anti-social forces as stated below.

1. We will refuse to have a relationship with anti-social forces.
2. We shall take measures to break off the business relationship with the vendors if it turns out that they have relationship with anti-social forces.
3. We shall never provide any exceptional favors nor funding for anti-social forces.
4. We resolutely stand against unjustified demands from anti-social forces by taking a firm-wide approach.
5. We shall take civil and criminal measures against unjustified demands from anti-social forces.
6. We always collaborate with the external expert organization such as police, the Center for the Elimination of Boryokudan or legal counsel, etc.
